- Programming & Markup languages
- Chatbot Development
- Tools & Platforms

Soft Skills

- Communication
- Adaptability
- Team Collaboration
- Attention to Detail

Interests

- Artificial Intelligence
- Creative Interfaces
- Digital Learning Tools
- Tech Communities

CAPACITI

I have hands-on experience in front-end development using HTML, CSS, and JavaScript. I've built responsive interfaces and small web projects that prioritize usability and clear design. I enjoy breaking down problems into workable steps and collaborating with others to get things done effectively.

Education

- Lyttelton Manor High School - 2022
- Jeppe College – 2024

Work Experience

- Capaciti (2025)
